

Ways of Working

Background and purpose

The Partnership for Active Travel, Transport and Health was established by the Transport and Health Science Group to bring together organisations concerned with transport and health to coordinate their activities on key issues of common concern.

PAATH aims to promote active travel, and transport solutions that positively impact on health or minimise harm to health.

Meetings

PAATH will meet quarterly by Zoom with email contacts in between and additional meetings if needed.

Decision making

Any decision may be taken either:

1. at a meeting of the PATTH; or
2. by resolution in writing or electronic form agreed by a majority of all of the members, which may comprise either a single document or several documents containing the text of the resolution in like form to which the majority of all of the members has signified their agreement. Such a resolution shall be effective provided that
 - a copy of the proposed resolution has been sent, at or as near as reasonably practicable to the same time, to all of the members; and
 - the majority of all of the members has signified agreement to the resolution in a document or documents which has or have been authenticated by their signature, by a statement of their identity accompanying the document or documents, or in such other manner as the members have previously resolved, and delivered to the Chair or co-chair of PATTH at its principal office or such other place as PATTH may resolve within 28 days of the circulation date
3. Proposals circulated by the chair or a Co-chair to the PATTH members which are not objected to by at least three members within 14 days shall become decisions of the PATTH
